

## Doing Business with Howard Lumber Company

### Just Got Easier!

#### HOWARD LUMBER COMPANY

HOWARD LUMBER COMPANY is proud to announce **EXPRESS CONNECT**, our web-based, e-commerce system designed to provide complete online account visibility. Express Connect easily integrates information with your accounting systems (Excel/QuickBooks). You can login and retrieve information when you need it—any time of day; access real-time account information; create and print sales reports, transaction details reports or even sales by product group reports; view and manage account status, statements and account details; check order status; view price lists and more.

Express Connect is a system that helps simplify account management and provide online account visibility, available 24/7. Express Connect provides you with the information you need—when you need it.

#### Account Information

#### Order Information

#### Material Information

#### Integration with Excel and QuickBooks

**EXPRESS CONNECT** records all of your account transactions and maintains the data for you whenever you may need it. Need to check the status of an order...it's simple. Want to see your account balance as of right now... it's a click away. Get reports on all of your account information.

#### Sales Reports

#### Transaction Detail Reports

#### Statements

#### Order Status & Delivery Confirmation

**EXPRESS CONNECT** streamlines all of your business processes making it easier for you to focus on your own business. Why wait? Sign up TODAY. Go to <http://inetpro.howardlumber.net> and request a login! Someone will be back in contact with you shortly.
